A SHOCK AT THE GRADUATION ON 11th JUNE

It was the 11th June and Emily was going to get her graduation. She was excited, but also ~~was~~ uncertain, because she had a little secret. Overall, the graduation ceremony was great, and afterwards Emily and her family went to the party at home. Friends and acquaintances were gathered in the garden ^{to congratulate her} to congratulate her. The evening was loud, fun, and nobody suspected anything until seven pm. The call came from an unknown person and shocked everyone. At this point Emily was in the kitchen mixing drinks, when immediately her father came in: "Emily, I'm disappointed in you". At first she didn't know what happened until her father told her about the call and the news. "You cheated on the final math test??" he asked and she got pale. After a few minutes of discussion, she admitted that she had used a cheat sheet for three out of ten tasks. The cheat sheet was found as an evidence. The unknown number had also informed the teacher, who kindly didn't let Emily fail, but calculated the new grade and average. The total average then was 3,5 instead of 3. diary entry (chapter 7, Trixie)

Dear diary,

I can't believe I'm at the Shacks house right now. It's 11 o'clock and I'm feeling amazing. Today was a special day, we celebrated in the GROUP. I'd like to tell you about the celebration.

At first I went to the Shacks front gate like normal because we had a GROUP meeting today. I switched on my cell phone, to click the code to open the gate. Then I walked in. Jetta was there and told that there are news about the hit online. All group members came together and Jetta opened the article on her laptop so that everyone could see. We saw the picture with a security man in the COMPANY Shop looks at a wall with our slogan and our GROUP flag. We all were so excited and happy and we all celebrated this together. Even if we are not allowed to use the company's photos or send them to other people we were still happy and we also have an idea for the next hit. I think this was one of our best days ever.

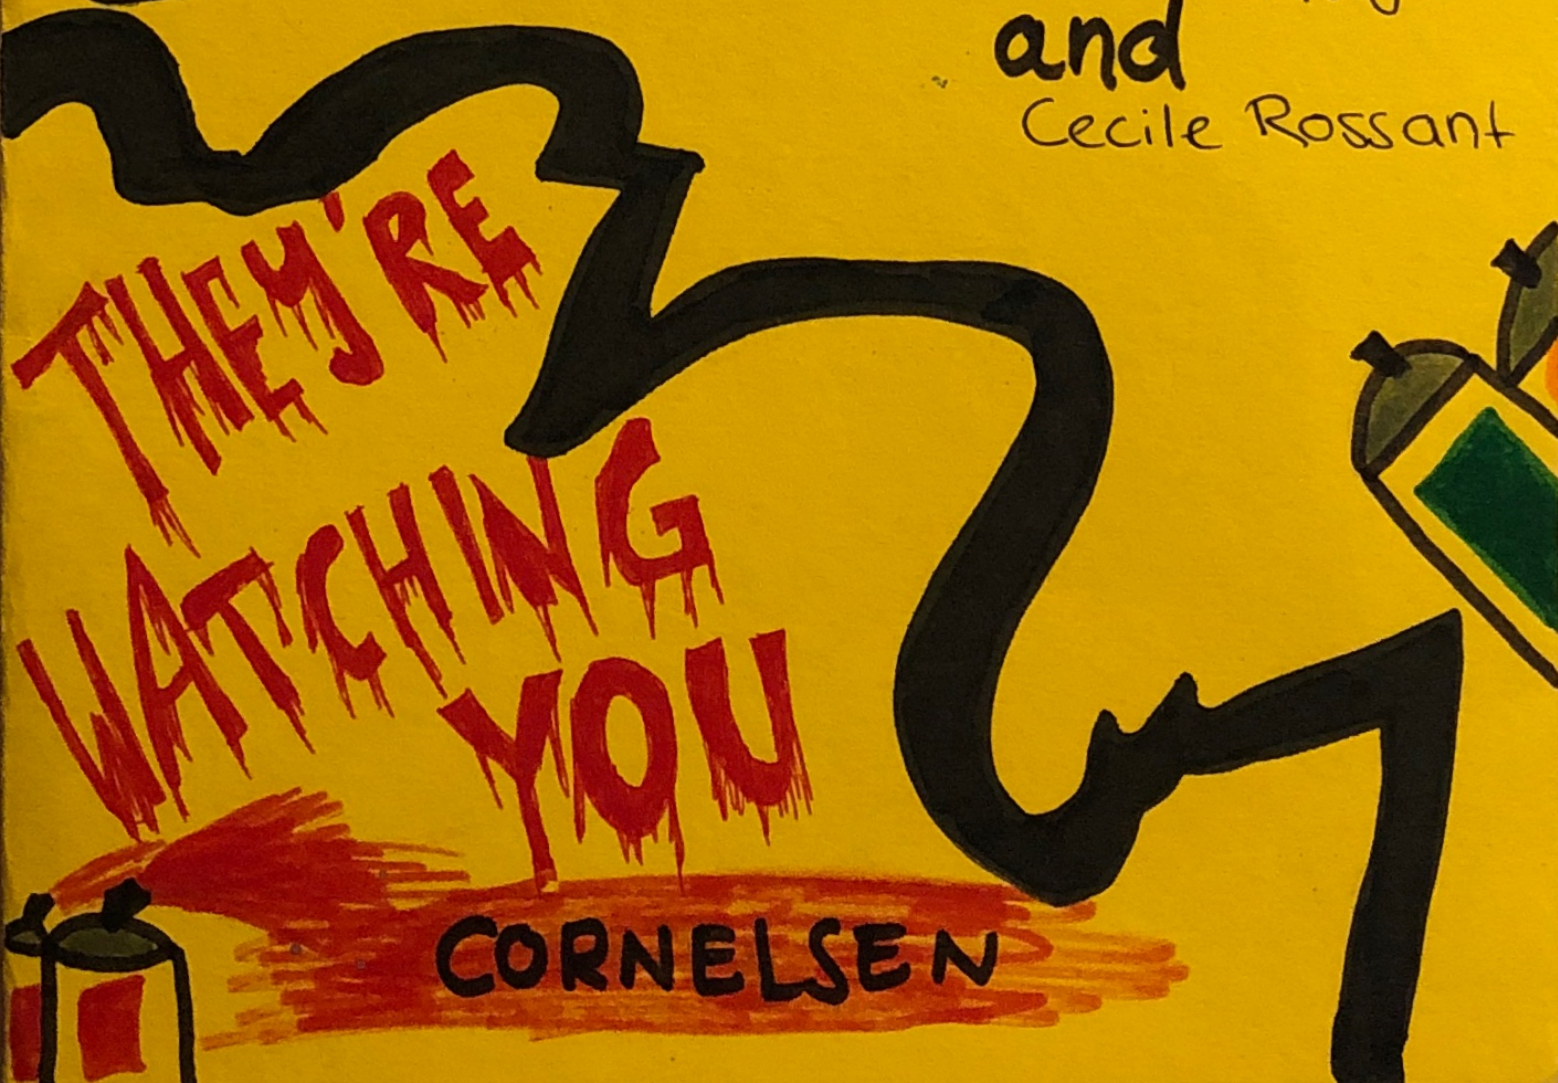

Yours, Jack/Trixie

The COMPANY'S launch of Perfect Pal Plus

Hello students,

I hope you're doing well. I wanted to talk to you about the COMPANY'S launch of their newest software called Perfect Pal Plus.

So, 2 days ago the COMPANY wanted to launch their new software "Perfect Pal Plus". With this software your parents will know where you are and what you're doing all the time. Not really funny, is it? Well, when the launch started, the presentation got hi-jacked by the GROUP. I think most of you know the GROUP or at least heard about it? They're breaking into the COMPANY'S shops and spraying graffiti on the walls. So they hacked into the presentation of Mr. Skye, the founder of the COMPANY, who was demonstrating how Perfect Pal Plus works. As the GROUP hacked the presentation, it changed. Now, it showed a girl in underwear with the words:

YOUR CHILD WILL HAVE NO SECRETS WITH PERFECT PAL PLUS. THE COMPANY'S PERFECT SPY WILL LISTEN TO EVERY CALL SHE MAKES, READ EVERY TEXT SHE SENDS. DUMP PERFECT PAL PLUS TODAY. THE GROUP.

THEY'RE WATCHING YOU.

No one knows how the GROUP got into the COMPANY'S tower and how exactly they hacked the presentation. There must be a genius in the GROUP who can do that kind of thing! I think... maybe they're right. Maybe, the COMPANY really spies on us! I mean, my phone really knows EVERYTHING about me!

What do you think about this whole affair? Let me know!
